# Benefit Options for Individuals

## You have options.

COBRA coverage can cause overwhelming financial strain, with many individuals paying 102% of the premiums for benefits coverage. However, now you have options. Health Care Reform has created new and affordable benefits as an alternative to traditional COBRA coverage, enabling you to find a benefits package that meets your lifestyle and your budget.

## And we are here to help.

Our Individual Exchange service gives you an opportunity to speak with licensed benefits advisors who can help you understand your benefits options and select the right choice for you and your family?

## Want to learn more?
